REFLECTIONS / QUESTIONS

Read Ephesians 1:15-23

1. Paul had a deep affection for the churches in the Asia Minor region. Who has God put on your heart and in your prayers?
2. Do you have a system that helps you with prayer?
3. Knowing God is both learning more and experiencing God. What have you learnt about or how have you experienced God recently?
4. How would you define Biblical hope?
5. If God has extended and invested His power in us, how could that impact the different aspects of our lives?
6. Are there any things you need to let go of and surrender to Christ's authority?
