“As It Is In Heaven - Prayer Part 2”

17 January 2021

What has been the biggest threat or challenge to your personal prayer life?

What are some of the ways a regular prayer life had a positive effect on your life?

“Our Father in heaven...”

Read James 4:8. Share how you’ve experienced this verse in your own prayer life?

What hinders you from being confident of God’s presence? What does the Bible speak to any of these issues?

“Hallowed be your name...”

Take time to share with one another what you love and worship most about who God is.

Share how worship and wonder have played a role in your prayer life currently or previously.

“Your kingdom come, your will be done...”

Doc shared how the question isn’t, “Does God have my best interests at heart?” But rather, “Do I have God’s interests at heart?”. What’s your response to a statement like that?

How would you describe God’s will?

“On earth as it is in heaven.”

What do you perceive the Lord is doing on the earth today - Globally? Locally? Personally?
