

**REFLECTION // DISCUSSION RESOURCE**  
**“The Holy Spirit: Life Giving Leader”**  
**09 May 2021**

*Our goal throughout May is to become more spiritual. To live spiritually is to integrate God’s spiritual realities into our everyday lives. The only way to become more spiritual is through a growing and dynamic relationship with Holy Spirit.*

*Last study we looked at Holy Spirit’s role as “truth telling teacher”, and today we’ll study Him as our “Life Giving Leader”.*

Have you heard or experienced the voice of Holy Spirit since the last study and how would you describe the experience?

***Read and discuss Romans 8:5-11***

What are some of the contrasts or statements this passage makes about the flesh and the Spirit?

What are some of the attributes or outcomes of life in “the flesh”? In the Spirit?

***Read and discuss Romans 8:14***

What does being led by the Spirit look like in your life, or how would you understand the idea of being led by the Spirit?

Where do you believe Holy Spirit leads a person?

***Read and discuss Galatians 5:16-25***

How do you (or could you) set your mind on the Spirit?

What do you believe it means to walk by the Spirit?

Right now, in this season of your life, how “in step with the Spirit” are you?

What adjustments to your pace or direction need to take place in order to be more in step with the Spirit?

**APPLICATIONS**

Think about your morning routine, and whether or not that helps you to set your mind on the Spirit each day.

Discern and make any adjustments to your life in this season to be more in step with the Spirit. This may require a time of quietness, stillness, solitude and prayerfulness.

**PRAYER POINTS**

Pray by name for those 2-3 people your networks and neighbourhoods who don’t yet know Jesus. Pray that the Holy Spirit will bring revelation and conviction into their hearts about their need for Jesus.

Pray for your own relationship with, recognition of and response to Holy Spirit to grow and increase.
